6. Projects

A letter from Jim Wood the Road Policing Inspector was forwarded by the webmaster; they are looking for £270 funding to fund a leaflet aimed at Motorcyclists. The proposal is that each area CSG funds £45 towards the initiative. After some discussion it was unanimously agreed to support the initiative.

Anne had been in touch with Lorraine Reid of the Foyer regarding the womens leaflet. She had discussed this idea with a group of Young People from the Princess Trust and they had thought it was a very good idea and there should be something similar for Young People. With this in mind they have designed their own leaflet for our comments. The group are now asking for funding to produce the cards for distribution. After some discussion and suggestions collated by Anne to forward to the group, it was agreed by all that we would allocated £500 initially for printing and if it was more than this they need to come back as it would warrant further discussion. They will have to complete a bid form.

Bin it and Win it – Anne to follow this up with Peterhead Academy.

Pavilion Project Central Buchan – Audrey resubmitted the application with a few amendments. After some discussion it was unanimously agreed to support the project with a grant of £500.

Open Day – Audrey informed the group that Central Buchan CLD will be holding an Open Day on 28th September 2010. She is giving advance warning in case we want to organise some form of display on the day.

Blue Light Day – Gary to come back with information on the day for the next meeting. .
